

Superior Court of California County of San Bernardino

NOTICE OF FINE INCREASE

Effective January 1, 2011

The Judicial Council of California has announced that increased fine amounts will go into effect in the state's trial courts effective January 1, 2011.

The changes result from the enactment of Assembly Bill 2173. The legislation, which was signed into law on February 18, 2010, enacts changes relating to emergency services. This legislation imposes an additional penalty of \$4 upon every conviction for an offense involving a vehicle violation, except for certain parking offenses.

A schedule of the criminal and traffic fees can also be obtained at the clerk's office as soon as the schedule has been finalized.
